Brief Details.

On 31/08/2016 at about 1730hrs, my car (SKW1277K) was stationary at the traffic junction at the exit of Mandai Road from BKE. I was on the right lane of the two lane road and was the first car at the junction. There was an Army truck (23151) on the left lane beside my vehicle. When the traffic light turned green, I move off to make a right turn onto Mandai Road. While making the turn, I slowed down and came to a stop as the Army truck was moving too close to my vehicle. Even after my vehicle was stationary, the rear of the Army truck swiped onto the left side mirror of my car and also swiped onto the left front portion of my car. After the collision, the Army truck stopped at the side of the road and I moved to the side as well. I exchanged particulars with the driver and the driver's Supervisor namely, Malcolm Hp: 90617102, gave me his contact number. No one was injured in the collision and no police at scene.
