URGENT
2ND REMINDER

Dear All,

We attach the scene photos for your perusal.

The scene photos showed that our taxi was tilted towards the left with the debris beside on the right. It clearly proved that:-

- a) our taxi was actually within his own path prior to the accident;
- b) our taxi was stationary;
- c) 3rd photo showed your insured's vehicle lying in the middle of the road;
- d) supports our driver's version.

Please let us have your offer by **16th July 2018**, otherwise please let us have your principal's consent to escalate the matter to GIA. Thanks.

Regards
