**Brief Details.**

On the 22/09/2016 at about 1950hrs, I was driving along Lorong 1 Geylang towards Upper Boon Keng Road. My vehicle came to a stop, along Lorong 1 Geylang as the traffic light is red. Upon seeing the green light I drove my vehicle and another vehicle car plate "SJF5973J" dashed over from the left side, upon seeing my vehicle, the vehicle owner of "SJF5973J" tried to avoid the impact by driving to the left side. But apparently it was too late, as such the point of contact was the front side of my vehicle to his front side wheel near the driver's door. His vehicle front side wheel and driver door was damaged, and my vehicle "SHD5551C" front engine totally damaged.

After the accident, the vehicle owner "SJF5973J" came out of the vehicle. But I was unable to open the door from the inside, as such a passerby also the witness by the name of David HP Number 83392023 offered his help and opened my vehicle door from outside, coincidentally an ambulance was at the back as such the medics attended to us. About 30 minutes later, the traffic police came to the scene and interviewed the driver and myself. The traffic police officer instructed us to exchange particulars and inform for tow truck service and move our damaged vehicle. After exchanging of particulars, the driver and myself left the scene.

I wish to state that nobody was injured including myself and no government property was damaged.

I am lodging this report for my record purposes and for my company's insurance company to do the follow up actions.
