Dear Li Li,

We refer to your below email.

Basing on TP statement that Insured was from the minor road, liability is not to our Insured's favour. Insured on the other hand reported that the accident is on the main road.

However, both TP and Insured have no concrete proof to show and support their version of the accident.

In view of conflicting version, we are of the view that for an amicable settlement, we maintain our offer of 50/50 unless our Insured have managed to claim successfully.

Kindly advise.

Thank you.

Dear Li Li,

We refer to your below email.

Please be informed that TP had rejected our offer of 50% liability.

TP appealed for a higher quantum for an amicable settlement.

Kindly advise if we maintain and/or for your further instruction please.

Thank you.
