Brief Details.

On 08/11/2016 at about 0700hrs along Admiralty Road West I was driving my vehicle MID59105 exiting SAF Sembawang Camp turning left into Admiralty Road West heading towards Sembawang Wharves. I stopped at the stopline as I was exiting and saw another lorry YP4428T from my right side heading in my direction. However I felt that the other lorry was far away as such I moved off.

As I was making my left turn I saw the lorry coming as such I braked. The lorry tried to avoid me by changing to the other lane however the front right of my vehicle hit into the left side near the rear left tyre area of the other lorry.

We then stopped and exchanged particulars. No one was injured.
