Brief Details.

On 13/01/2017 at about 1935hours, I was exiting the slip road in between united square and gold hill plaza, onto Thomson road. As the traffic light was red, I moved out onto Thomson road, entering the yellow box and made my way to lane 1. My vehicle was then stationary in the middle of lane 1 and the split lane for right turning vehicles. I then noticed that a police vehicle was also stationary behind me, on lane 1. Subsequently, the traffic light turned green as such I was going to move off to the last lane however before my vehicle started moving, the police vehicle QX653M collided into the rear of my vehicle. I wish to inform that I did not sustain any injuries. My initial assessment of my vehicle's damages are its rear bumper and sensor are damaged.
