WITHOUT PREJUDICE

Dear Wai Yin,

We have reviewed the case file and we understand that your driver reported a straight front-to-rear scenario that occurred on the same lane.

Your driver's sketch below.

We observed that the damages of your taxi vehicle did not correspond or corroborate with our insured's report and damages.

Our insured vehicle sustained damages on its front right hand side. Photos attached for your comparison and reference.

In view of the above, we are of the opinion that our insured's version is more probable. Your driver likely changed lane and our insured's evasive reaction to avoid collision fall short hence, contact of their vehicles.

As such, in the absence of strong evidence from both and conflict of their reports, we believe that an equal liability settlement of 50:50 is already fair and reasonable, solely for the purpose of an amicable settlement and to bring this 2014 claim to rest.

On without prejudice basis, we offer as follows:

Cost of Repairs (with GST)		\$ 909.50
Loss of Rental	(\$96.60 x 1.5days)	\$ 144.90
Loss of Use	(\$50.00 x 1.5days)	\$ 75.00
	TOTAL	\$1,129.40
LTA Search Fee	AT 50%	\$ 564.70
		\$ 6.00
	TOTAL	\$ 570.70

Please confirm acceptance.
