Dear Sir,

We refer to the below email.

For PD claim, we are of the view that our Insured (taxi) is liable of the accident as he already reported that he was changing lane from the middle lane towards the leftmost lane to make a turn when the accident happened. Unless, we have evidence to prove that our Insured is not liable of the accident as we do not have any copy of OI CCTV footage (if any).

At the moment, we are still pending for the evidence and LOD from TP repairer.

Kindly advise if you have further instruction on this matter.

Thank you.

Best Regards,
