## Brief Details.

On 11/09/2017, at about 1400hrs, I was driving my vehicle bearing registration number SLL826D along PIE towards Changi when out of a sudden, a lorry bearing unknown registration number swerved into my lane from my left. I immediately applied brake however was unable to stop on time as such collided into the lorry. The vehicle bearing registration number GBD6052R from behind me collided into the rear of my vehicle. I then got off the vehicle to make a check however the lorry driver informed that he did not have any damages, he then drove off. As such, I was unable to get his particulars. I managed to exchange particulars with the driver of GBD6052R.

TP and ambulance arrived at scene and my vehicle was towed away by EMAS. No government property damaged. My vehicle had damages on the front and rear right while the van had damages on the front. I then went to Tan Tock Seng Hospital as I was injured on my right eye area and felt pain on my neck area. My left ankle was also swollen. I was given 6 days Hospitalization leave.

I am lodging this report for record and insurance claims purposes.
