Brief Details.

On the above mentioned date, time and location, I was driving my car, a grey Honda Vezel bearing registration plate number: SLE4037A along Pasir Ris St 11 towards Pasir Ris Dr 2. I was stationary just before the junction of Pasir Ris Dr 1.

When the traffic lights turned green, I proceeded to drive straight and suddenly a police car bearing registration plate number: QX236J was in front of me after making a right turn from the opposite direction from Pasir Ris Dr 2. I was not able to stop my car in time and it had collided with the police car. After the collision, I stepped out of my car and managed to speak with the police officer. No one was injured. No other road users or pedestrians were involved. I managed to exchanged contact details with him and was informed that the police officer was from Pasir Ris NPC. SGT T160197.

I am lodging this police report as I am involved in an accident with a government vehicle.
