Dear Mr Lau,

The pre-repair survey was conducted by Sebastian Yeang.

Thereafter, the third party workshop engaged Automax Survey to survey the vehicle and the recommended repair costs was \$12,250.00.

We then seek your surveyor's opinion on the repair costs claimed by the third party workshop and this was further adjusted to \$1,700.00 on lump sum basis.

In view of the discrepancy in the repair costs, it is very unlikely that the third party would accept your adjustment.

Kindy let us have your views if any.

Best Regards
Gerald Poh
