Subject: Request of Vehicle Mechanical Inspection for a motorcycle: FBH4810T
Importance: High

Dear Bryan,

I am writing you with regards to request for a vehicle mechanical inspection for a motorcycle, FBH4810T. The vehicle is currently impounded at No.517 Airport Road Traffic Vehicle Pound for investigation.

The mentioned vehicle was involved in a fatal road traffic accident on 14 July 2017 at 9.01 pm along CTE towards SLE, just before PIE exit. The accident involved with the said motorcycle and a motor car. As a result of the accident, the rider succumbed to his injuries and was pronounced dead in the hospital on the same day.

Brief Facts of case

Expressway footage revealed that the car driver was travelling on the second lane from the right lane of 4-lanes road along CTE towards SLE. As he was negotiating the left bend before the exit of PIE, the deceased was seen making a lane change from his left to the right and collided into his left front portion of the motor car.

I am seeking your expertise for a mechanical inspection report on the mentioned motorcycle.

I can be contacted at Tel: 6547 6224 / 96536791. Thank you.
