Brief Details.

On 30/10/2017 at about 0820hrs, I was travelling on BKE towards PIE after Mandai exit. Suddenly the front vehicle applied emergency brake and I followed suit. I did not managed to stop in time and I hit onto the rear of the front vehicle. Both driver alighted and we exchanged particulars. The driver of the front vehicle mentioned that he felt pain at the neck area however he do not need any ambulance. He also did not want to seek medical where I insisted him to see a doctor for the pain around the neck area. We then agree on private settlement as both of our vehicle was slightly damaged.

On 30/10/2017 at about 1945hrs I received a call from the driver where he inform that he have seek medical assistance at Khoo Teck Puat hospital and he is required to make a appointment with the specialist for the pain around the neck. We then decided to proceed for insurance claim.
