Subject: Request for Vehicle mechanical inspection report for SLA8948R & SLA3202S
Importance: High

Dear Bryan,

I am writing you with regards to request for a vehicle mechanical inspection for the motor cars: 1)SLA8948R & 2)SLA3202S. The vehicles are currently impounded at No.517 Airport Road Traffic Vehicle Pound for investigation.

1) Brief Facts

Car driver of SLA8948R was travelling along Tampines Street 81. He stopped behind an unknown car due to the traffic light was red. As the traffic light changed, he proceeded to move off when the deceased (Pedestrian) walked from his right to the left side. He was unable to stop in time and the front right portion of his motor car hit onto the pedestrian.

2) Brief Facts

His in-vehicle camera revealed that he was travelling along Yishun Avenue 2 on the right lane of the 3 lanes road. In front of the mosque, the deceased (Pedestrian) was seen walking across the road from his left to the right side. He did not slow down and the front right portion of his motor car hit onto the deceased.

I am seeking your expertise for the mechanical inspection reports on the above mentioned motor cars.

I can be contacted at Tel: 6547 6224 / 96536791. Thank you.
