Brief Details.

On 26/08/2016 at about 1930hrs, I was travelling along Tanglin Road towards Alexandra Road when I was approaching a traffic junction, I slowed down my vehicle to check for traffic. When I was about drive off, I heard weird sounds coming from my right side. I stopped my car and checked and notice a cyclist with his bicycle. His bicycle rear tire is damaged and could not move anymore. The cyclist was not injured and I had sent him home as his bicycle tire was badly damaged.

I wish to state that I did not see the cyclist at all and I do not know where it came from. I wish to also add that I was driving very slowly as I was checking for traffic.

CONTINUATION OF REPORT

Brief Details.

On the 26/08/2016 at about 1945hrs, I was riding my bicycle along Tanglin Rd. After passing Tanglin road, there is a filter lane from Grange Rd into Tanglin road. When i was passing the filter lane, I had observed a driver driving black Honda bearing registration plate number SFR 7030B checking his blind spot and locking downwards several times however he had not reduced his speed. At that point of time, I had tried to catch his attention by waving at him but to no avail. His vehicle had then collided onto the left side of my bicycle. Due to the impact, I had fell down and was dragged for about 5 metres across Tanglin Rd. I wish to state that my feet were still clipped onto my paddles at the time of the accident. I wish to state that me and the driver initially wanted to settle personally however he had refused to compensate me due to the price of my bicycle. I had exchanged particulars with him. His particulars are as follows :

Andy Tan, HP : 9067 6066

I will be visiting SGH A&E after lodging this police report.
