Brief Details.

On the 5/11/2017hrs, I was on the first lane along PIE towards Changi near to Whampoa flyover. There was an accident earlier on the first lane and the cars in front of me stopped. I stopped as well to find the opportunity to filter to the 2nd lane. While waiting to filter left, the vehicle SJS3643G collided onto the back of my motorcycle. The impact of the collision pushes my motorcycle to collide with the vehicle SJJ8958M as I was thrown off from my motorcycle.

I tried to get up and hop to the nearest railing for safety reasons. I managed to exchange particulars with the vehicle that I collided with. The traffic police that was attending to the earlier accident came and help to call for ambulance. I was then conveyed by ambulance. I suffered abrasions and bruises from the accident and was given 4 days MC.
