**Brief Details.**

On the 18th November 2017 at about 10.05am, I was driving my foreign-registered car, PLU1588, along West Coast Highway towards Haw Par Villa MRT. I was driving on the third lane on a three lane road. There was some road work on the second lane near lamp post 74. As I was driving, a lorry, XE2944C, suddenly swerve into my lane and hit onto the right portion of my car.

As a result of the collision, my car's right portion is dented and scratched. My right side mirror was also broken. Traffic police also came down video incident number D/20171118/0058. My car has been towed. I wish to state that I do not have any in-car camera and did not sustained any injury from the collision.
