Dear Vivian,

We refer to the above matter

It is our view that MCF/BOLA is not applicable on this scenario on the basis that there's a government car (ie. Police Car) involved in the accident. Furthermore, we opined that based on the footage from SHD 1291D, it was SJU 2258G who seems to have lost control of his vehicle hit onto SHD 1291D which had triggered the series of collisions.

On this note, please proceed to reject third party's claim

Regards,

Joane Boyogan
