Dear Sir/Madam,

ACCIDENT ON 05/11/2017 INVOLVING SJU 2258G & SLK 9734G

We refer to the above matter

Our insured driver has reiterated that the accident was caused due to the entire negligence of your client. It is our view that MCF/BOLA is not applicable on this scenario on the basis that there's a government car (ie. Police Car) involved in the accident. Furthermore, we opined that, it was your client who seems to have lost control of his vehicle hit onto SHD 1291D which had triggered the series of collisions.

We attached herewith our insured's accident report for your perusal.

Under such circumstances, we have our principal's instruction to deny liability of your client's claim

Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.

Thank you

Best Regards,

Dear Vivian,

We refer to the above matter

It is our view that MCF/BOLA is not applicable on this scenario on the basis that there's a government car (ie. Police Car) involved in the accident. Furthermore, we opined that based on the footage from SHD 1291D, it was SJU 2258G who seems to have lost control of his vehicle hit onto SHD 1291D which had triggered the series of collisions.

On this note, please proceed to reject third party's claim
