Brief Details.

On 18/09/2017 at about 2145hrs I picked up my male passenger at Orchard Tower and he wanted to go Haig Road by nicoll highway . When I at Bras Basah Road driving at the 3rd lane and I noticed a comfort taxi rushing out from Bencoolen Street and hit onto my taxi left side (side mirror and 2 left doors). I then stopped my taxi however the other taxi didn't stopped and continue to drive. About 20- 30 meters away there's a traffic light and it's change to red color and I alighted from my taxi and walk towards the said taxi and approached the driver. I told him that he hit onto my taxi and asked him to come out from his taxi to take a look however when the traffic light turned green color he drive off. I managed to write down the taxi vehicle number however I forget to indicate the last alphabet. The taxi vehicle number is SH 7304. I did take photo of the damage of my vehicle and the damage of my taxi is a long scratch from left passenger door to the last door.

This is the first time I saw him and my passenger and I was not injured.
