Dear Hsiao Tong,

Have reviewed the damage on 3P vehicle and it's more onto its left hand side (rather than the its rear portion) which is not consistent with the 3P's sketch plan as appended below. Do we have any scene photos from third party showing it was head to rear? If none, then please maintain your offer of \$400/- (all-in).

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

Thank you

Regards,

We refer to the above matter.

Third party driver reported that he was driving along Claymore Hill. Traffic was slow moving. Suddenly OID who was traveling behind his car came and hit the rear of third party vehicle.

Both parties had given a conflict of version and there was no concrete evidence (video footage/ scene photos) to support either version. We have offered up to a global sum of \$400.00(~60% basis) towards third party. However third party insisted for \$600.00(all-in) as their client adamant that he is not liable.
