Brief Details.

On 20.11.2017 at about 11.40 am I had just picked up 2 passengers from Khoo Teck Phuat Hospital. As I was about to drive out of the hospital, I stopped just before the pedestrian crossing. I then felt that someone had hit onto my vehicle. When I came out of my vehicle, I discover another driver had hit on the rear left side of my vehicle. There are damage to my rear bumper. My two passenger told me that they are fine however I felt pain on my neck and back. After the incident I went to seek treatment and was given 5 days of medical leave.
