Brief Details.

i was driving home after a company event with my top bosses held at SIA sports club. Attending were my CEO and top bosses of SIA .After the event, we had gather to remininsces about our working days and probation period as we were promoted .

Due to the presence of my big bosses, i did not have any alcoholic drinks as im due to work the very next day.

At about 1245am, i was driving back home alone. i was reaching my house and knew the next turn was my home. At that very instance i momentarily dozed off and the split seconds that i regained consciuosness, the car veered to the right and i went over the kerb and hit a police signboard post.

The incident occurred at the junction of bedok reservoir road in between archipelago condo and blk 744 bedok resevoir road.

I instinctively reversed my car to prevent blockage to other users and drove back to park the car.

I went to assessed my damage and was shocked by it.

I had gone up to stabilised my emotions and state of mind as im still in shock. I have been very tired due to tight work schedule due to the nature of flying trips and working daily past week. I'm also opined that i could make a police report within the 24 hours as long as there no injury.

Thus far i have no previous record and have maintain a clean traffic slate. This has been a dampener on it and im very apologetic and remorseful.
