Brief Details.

On 22/11/2017, at 1140hrs, I was driving along Turf Club Road turning left to Vanda Link. There was a police truck registration number YP4398X in-front of me and a police car registration number QX419Z behind me. While I was approaching the left turn, the police truck in front of me suddenly stopped. I then stopped my vehicle. The police truck start to reverse, I pressed on the horn, However he did not stop and continue to reverse, thus hitting on to my vehicle. The truck then drove off. The police car behind me then instructed me to stop my vehicle and they will inform the TP officer. Around 10 to 15 minutes later, the police truck driver came and he informed that he couldn't hear the horn. I wish to state that this is the first time such an incident happen to me and I have an in-car camera. I also like to further state that at that point of time, I did not reverse my vehicle as there is another vehicle behind me and it might cause danger to the rear vehicle.
