Your Ref: S7M004X8 Our Ref: CC4/AXA17022744/R1ka3 Dear Wancong, ACCIDENT INVOLVING VEHICLES YN 8635X(OI) AND SLQ 3920T(TP) ON 27/11/2017 We refer to the above matter. TP reported that he was travelling straight within his lane when he suddenly felt an impact from the rear portion of his vehicle. No photos or CCTV footage provided by TP till date. OI reported that he was travelling straight when TP swerved into his lane and collided onto his front right portion of his vehicle. Enclosed copy of OI CCTV footage as attached for your review. Based on OI CCTV footage, after review, we observed OI vehicle was travelling within his lane when TP vehicle encroached into his lane and resulted in the collision. We had spoken to the Insured where he confirmed that at the material time, he was travelling at the said location as reported when TP vehicle encroached into his lane and collided onto the right portion of his vehicle. OI further mentioned that his PD recovery claim against TP is still in the process and will revert for any update. Based on the OI CCTV footage and accident scenario, we are of the view that OI version is more credible. As such, we intend to reject the TP claim. For your approval and/or further instructions please. Thank you. Best Regards, Zaini Kusaini | Case Handler LKK Auto Consultants Pte Ltd
