Brief Details.

On 28/11/2017 at about 0641hrs. I was driving my vehicle, SLD4339J along Jalan Ahmad Ibrahim. I intended to proceed to Jurong Pier Road. The weather was clear and the road surface is dry. The traffic volume is heavy and I exited near the Jurong Hill Flyover. I was at the extreme left lane. When I was approaching the junction, I then realized that the lane I was travelling, allow only for left turn as indicated on the road. I signaled right and the traffic was heavy. I slowly switch lane to my right as I intend to proceed straight. When my vehicle was already half way through the lane change, one prime mover trailer, CDT1108 hit onto my right passenger door. There were no injuries and both of us went down from our vehicle. I took some photographs and we proceed to make a Police report. There were no Police activated.
