Dear Jasmine,

According to the surveyor Sebastian, who inspected the said vehicle. At the time of inspection, the bumper was deep cut into the structure of the bumper and deformed beyond repair. He had tried to advise the repairer to reuse it, but third party owner requested insurance to give assurance on the toughness of the bumper if to repair and re-use it.

Dear Veron,

The rear bumper only have grazed marks, can it be repaired instead of change rear bumper?

Please advise.

Thank you.

Have a nice day ahead.
