Hi

Based on the video of yr client, it also shows that our client is already in front of yr client vehicle making the turn, yr client fails to give way n move forward to hit onto our client vehicle side, hence based on bola we propose liability 50% on each party. Hence kindly revert to us.

If there is more dispute I suggest we escalate the case to GIA for review on liability issue

Best Regards
Shaun Toh L M

Dear Sirs,

ACCIDENT INVOLVING VEHICLES SH 9072R AND PC 13H ON 25/11/2017

We refer to the above matter.

Please be informed that our principal had further reviewed the matter and based on the available information and evidence at hand, our principal is in the view that our Insured is not liable of the accident.

Based on the accident scenario and CCTV footage after review, our principal are in view that our insured's vehicle was travelling within his lane when your client's vehicle encroached into his lane while turning and resulted in the collision.

In view of the above and with our principal's instruction, we regret to inform you that we are unable to further look into your claim.

As such, we will close file in our end.

Thank you.
