I tried to avoid him by swerving to my left, but due to his speed my right view mirror hit this front left side, causing me very slight dent and mirror scratched. Whereas my rear view mirror slightly scratched and mirror cover at the edge.

Insurer: AIG
 Vehicle No: PC 2009H
 DOA: 21/11/15 14:15pm @ Paya Lebar Crescent (Tanjong Garden)

On this date, time, I was ferrying students back to their homes at Location, Tanjong Gardens, off Paya Lebar. I had drove down and made a Right Turn onto Paya Lebar Crescent which I did successfully at around 4:15hrs. As I turned was facing onwards Paya Lebar Crescent I over-took one Black Audi, part along side on the left. I had passed this car and had on come another vehicle on the cramped private dwelling place. The car in front of me did not want to reverse to give me way. So I check my side view mirror and I closed into right slightly to give way to the on-coming vehicle driven by an elderly guy. As I was trying to give way I brushed slightly into the front of Black Audi - SKH 6976Y.

And then, I pulled to the side to access the damage with though my students in my bus sound did not hit the car. By that I saw the vehicle had grazed. I exchanged particular with the owner its skidhu, tel: 8112 4575. this is truly what had happened.

Declaration

We declare the foregoing particulars are true in every respect.
