Dear Sir/Madam,

ACCIDENT INVOLVING SLQ 8450A(AIG) AND GZ 1767M ON 30/11/2017

We refer to the above matter.

Please be informed that liability is unclear as our insured reported that he parked his car at Super Bowl Jurong carpark. When he returned to his case, he found that your client vehicle had collided with his car. Attached here with a copy of our insured driver accident report for your easy reference.

Kindly let us have evidences (ie: video footage/ scene photos / PIR) in order for us to look into the matter.

Appreciate an early reply.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Dear Sir/Madam,

ACCIDENT INVOLVING SLQ 8450A & GZ 1767U ON 30/11/2017

We refer to the above accident where we are acting for AIG Asia Pacific Insurance Pte Ltd to resolve the claim against you and/or your authorized driver under the Auto Insurance policy taken up with them.

We have received a claim from GZ 1767U against your motor insurance policy.

Based on all available information at hand for the accident, we are of the view that the case most likely would be settled at equal liability as both parties had given a conflict of version.

If you feel strongly against our settlement offer to the third party, kindly let us have them in writing within the next 10 days i.e. by 22/12/2017, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

We wish to stress that our offer of settlement is strictly made on a without prejudice basis with a view to close this matter amicably and avoid further escalation of the claim through litigation..

Do be advised that your No Claim Discount (if any) will be affected as a result of the settlement of this third party claim against your insurance policy. However, if you are making a claim against third party and successful with 80% in your favor, our principal will re-instate your NCD. Please call us if you have further queries.

Yours faithfully,

CHEW HSIAO TONG

We have received a claim from GZ 1767U against your motor insurance policy.

Both parties involved have given conflict of version. Based on the circumstances of accident and both parties damage profile, there is no conclusive evidence to substantiate either's parties version. Pursuant to the above said accident wherein you and/or your authorized driver had amongst other information given us your version of how the accident had occurred, we as the appointed agent of your insurers shall proceed to negotiate for an amicable settlement with third party claimant.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next **10 days** i.e. by **09/12/2018**, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.
