Brief Details.

On the 12/09/2017 at about 1417hrs, I was driving along Sims Way towards CTE via PIE in my car bearing registration plate number SFT818G on the second lane. Right behind me on the first lane was a blue in colour lorry bearing registration plate number XD5201Z.

Subsequently, I passed Sims Avenue junction and was on the first lane when I felt an impact on the right side of my vehicle. I turned and saw the above mentioned lorry hit the right side of my car. I immediately horn my car, slowed down and keep left. I was expecting the lorry driver to stop and take a look to the situation however he did not do so. I start to chase after the lorry. However, due to heavy traffic condition, I did not pursue the lorry.

I would like to state that I have one car camera installed on the front and back of my car. I have retrieved the footage and it is ready to be viewed. I would like to further add that no body is injured and the right side passenger door was damaged. This report was made for the purpose of car insurance claim and necessary action.
