YOUR REF : GV 6573A

ACCIDENT INVOLVING GV 6573A(EQ) & SKN 6886S ALONG/AT MACPHERSON ON 05/12/2017

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, EQ Insurance Company Ltd to deal with the third party claim against your policy.

We have received a claim from the owner of SKN 6886S against your motor insurance policy.

Based on all available information at hand for the accident, we are of the view that we do not have a good defense towards the claim submitted by the owner of SKN 6886S. Kindly refer to the attached video from SKN 6886S for your easy reference. The video shows that your lorry encroached into third party's lane and collided onto third party vehicle.

Therefore, we are of the opinion that liability is not in your favour. We will proceed to negotiate for an amicable settlement with the Third Party.

If you feel strongly against our settlement offer to the third party, kindly let us have them in writing within the next 10 days i.e. by **14/01/2018**, after we shall proceed with negotiation with Third Party claimant on the without prejudice basis and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.

Note: This video footage is solely for investigation and shall not be reproduced. You undertake to preserve its confidentiality and will not disclose, provide or make available the video footage in whole or in part, to any third party.
