Brief Details.

On the 11/12/2017 at about 2005hours, I was driving my car bearing the registration number SKB4806A on KPE exiting BKE/SLE exit. I slowed down my car as the traffic was heavy at the exit when suddenly, a lorry bearing the registration number YP5028H hit to the rear side of my car. The incident caused my car to moved forward and hit onto a car in front of me. Agr which, I came out of my car and made a check to my car and noticed that the front and rear side of my car was damaged.

I then exchanged particulars with the drivers and we decided to make police report. I have a front view camera installed in my car.*I am making this report for insurance purposes.
