Subject <Seek Mandate> C0464499

Dear Sirs/Mdm,

We refer to the above matter.

Third party reported that his car was stationary along the road side. OID reversed and hit onto the right rear side of his car.

OID reported that he reversed and third party moved forward, thus collision happend.

Based on both parties report, damages to vehicle and scene photos submitted by third party, we are of the view that third party version is more probable. We have sent out a letter to OI to inform third party claim and advise that liability is not in our driver favour. There was no response/feedback from OI up-to-date.

We seek your mandate at \$2,354.00(all-in).

Kindly let us have your approval/instruction.
