REMINDER

Dear Sirs/Mdm,

We refer to the above matter.

Third party reported that our insured driver reversed and collided onto his car.

Our insured driver reported that he stopped at the road junction and suddenly he felt a slight jerk from behind.

Third party had submitted a copy of witness statement for our consideration. We have requested third party witness contact in order for us to verify the statement but third party did not response on our request. Our insured had no evidence but insisted that third party hit him from behind.

In view of no concrete evidence, we are intending to reject third party claim based on BOLA 27 (Third party collided onto insured from behind).

Kindly let us have your approval/ instruction/ comments.

Thank you.
Hsiao Tong
