Brief Details.

On 12/12/2017 at about 1640hrs, I was driving my car (Reg no: SJN4651C) along the slip road at TPE toward Bedok Town. As I approached the traffic junction, traffic light turned amber. The car (Reg no: SKW5096P) in front of mine stopped. I tried braking however could not stop in time. Thus, my car skidded and collided with the car in front.

I came out from car and assessed the damages. The front portion of my car was damaged. At that point of time no one was injured. We exchanged our particulars for insurance claims.

Subsequently, at 1924hrs, the driver informed that he received 6 days of medical leave. I informed my insurance company about it and they advised me to lodge a police report.
