Dear Janet,

We refer to your email below.

TP reported he was making a right turn into Farrer Road with green light on his favour when OI vehicle suddenly collided onto the right portion of his vehicle. TP further reported that she recorded the tele-conversation between her and OI PIC (Ms Pearlyn) pertaining to the above accident. Enclosed copy of the voice recording for your perusal.

OI reported that he was travelling straight within his lane along Farrer Road towards Lornie Road when TP vehicle collided onto his vehicle. OI further stated that TP was making a right turn from Empress Road prior to the collision and no injuries were involved at that material time. No photos / CCTV footage / PIR provided by OI till date.

We had spoken to OI PIC where she confirmed that OI was travelling at the said location as reported and was unaware of any voice recording on the above matter. We confirmed from both parties that there is no PIR from Traffic Police till date and our insured will revert to us for an update (if any).

For your further instructions.

Thank you.

Best Regards,
