Report No. 1/20171216/2158

CONTINUATION OF REPORT

Brief Details.

On 15/12/2017 at about 1740hrs, I was driving my car Bearing SLL2075R along Central Expressway from Compassvale to River Valley Road.

While I was driving near to Exit 7B Jalan Bahagia, lane one when a car bearing SJK1705S E-braked in front of me which caused me to do the same. Subsequently I hit onto the car in front of me and this caused a chain collision of 5 cars. The car bearing SGK7721R was behind me which hit the rear bumper of my vehicle. I took down the particulars of the drivers in front and behind of me. I have a working in-car camera in my vehicle during the time of accident.

No one was injured but I felt discomfort on the back of my neck and I will be visiting a doctor.

There was Traffic police officers attended to the incident. There was minimal damage on the front bumper of the car. There was scratches and the rear bumper was partially out of the car.

I am lodging this report for insurance purposes.
