Brief Details.

On 18/12/2017 at about 1800hrs, I was driving my vehicle travelling along Scotts Road junction of Scotts Road and Orchard Road towards Paterson Road, stopping at the red light, third lane from the right (4 lane road).

Suddenly, another vehicle hit my vehicle's rear. Both of us came down from our vehicle and exchanged particulars. The other party apologised to me but did not tell me why did he hit my vehicle. After the other party's vehicle hit my vehicle, my vehicle moved forward for about 1 car length even when I had my brakes engaged before the accident.

The other party had his vehicle towed away at the junction but I drive to Orchard Boulevard and engaged a tow truck to tow my vehicle away as my vehicle's exhaust was bent in and not safe to drive anymore. After that I went home and felt that my neck was strained, as such I went to Tan Tock Seng Hospital and got 3 days medical certificate.

I wish to state that my vehicle had no in car recording. I am lodging this report for insurance claim.
