Hi Gerald,

We refer to the above matter.

We attached here with a copy of third party video footage for your easy reference.

From third party video, it shows that our insured driver overtook third party and ahead of him, so when third party filtered into 2nd lane the collision occurred. Our insured after overtaking third party from the rear and on the right, third party should exercise more care on the traffic from the right which is basis rules of traffic regulation.

We are of the view that third party should exercise caution while he filtered to his right lane. As such, we are intending to reject third party claim.

For your comments/ approval/ instruction please.

Best Regards,

Hsiao Tong, Chew | Case Handler
