CONTINUATION OF REPORT

Brief Details.

On 19/12/2017 at about 1545hrs I picked up a passenger from Bendemeer road to Tampines Mall. I was traveling along PIE in my taxi (SHF654L) towards tampines , suddenly the vehicle in front of me jammed braked . I then swiftly applied my brakes and swayed to the left to prevent the collision. At this moment the vehicle (SLK7913U) banged onto the back of my vehicle from the rear. Due to the impact my vehicle moved forward and banged onto the front vehicle.
The passenger in my vehicle was thrown sideways as there were more cars pilling up from the rear (banged).

I did not manage to get the front vehicle number plate but have the particulars .

Damage to my car :

- 1) front portion fully dented
- 2) front lights smashed
- 3) both right side doors unable to open.
- 4) rear portion fully dented
