Brief Details.

On 20/12/2017 at about 1800hrs, I was driving my car, SLM 1686D, along Parliament Place. Everything was normal. I was behind a Taxi, SHB5387X. When I was about to enter St's Andrew Road, the Taxi in front suddenly jammed brake. I immediately jammed brake as well however it was too late. I hit onto the rear of the Taxi. We came down and take a look at the damage. my front car was dented and the Taxi rear bumper was dented as well. Both the Taxi driver and I exchange particular and there were a passenger in his car and the passenger said she was alright.

After which we went off. However a few hours later I felt some discomfort at my back thus I went to the doctor and took 3 days of MC. I'm lodging this report for insurance claim
