driver(an chinese male late 50s) to wait at the front so that we can inspect the damages, however he did not acknowledge.

I proceeded to park the car close within a few meters of the incident to talk to the driver and inspect the car. As the car SKT1890E drove past me, I again indicated to him to stop however he did not acknowledge. As I exited the car, the driver was no where to be seen however he had parked several lots across my vehicle.

The vehicle inspection on my car revealed several scratch marks with white paint presumably from the vehicle of SKT1890E.

I had no passengers with me however there were several witnesses as there was a wedding ceremony of whom I had not taken their particulars.
