Brief Details.

On 23/12/2017 at about 10 pm, I was driving my white van (GBB5026J) along Orchard Turn (just outside the exit of Ngee Ann City taxi stand/drop-off point) towards Wisma Atria and was behind the yellow box as the traffic light ahead was red. Suddenly a blue Mazda (SLP87338B) came out of the drop-off point and hit the right side of my front head on. The right headlight and surrounding part was dented in. The driver side door was unable to be opened and the airbag was also deployed. The car had also hit another car on the opposite direction in front of it however I don't have the car details. The other driver alighted and inspected the damages. He explained that he lost control of his vehicle as the brake was faulty.
