Dear Ms Chew,

It was a pleasure speaking with you earlier.

I am writing on behalf of our Director, Mr Tang, with regards to the traffic accident involving our vehicle SLM3494C.

As mentioned, we reported this matter to the police shortly after the accident as it was a hit-and-run case, where the driver of SHA2343Y have refused to stop after the incident.

The police have carried out investigations and found that the driver of vehicle SHA2343Y has committed the following offences.

- Inconsiderate driving
- Failing to stop after an accident

Please find attached letter from the police for your reference.

I have also attached the in-car video footages (front and rear) of the accident, which shows SHA2343Y crossing the double-white lines illegally and grazed the rear-left of our vehicle.

Since the driver of SHA2343Y is found to have committed the offences above, we should not be liable for any damage caused by the errant driver.

Please feel free to contact me if you have any question with regards to this matter.

Thank you.

Best regards,
Mike Tan
