Brief Details.

On 24/12/2017 at about 2140hrs, I was driving my vehicle bearing the registration plate number SLD6088U along Corporation Road. I stopped on the right turning lane at the junction of Corporation Road and Yung Sheng Road at Taman Jurong Shopping Centre as I intended to make a right turn into Yung Sheng Road.

The traffic light facing my direction was green, I saw a black Toyota bearing the registration plate number SJM9764H coming straight in the opposite direction. The black Toyota signaled his intention to turn left into Yung Sheng Road. Thus, I proceed to make the turn. Suddenly the black Toyota changed his mind and proceeded straight instead, colliding into my vehicle's left bumper.

Thereafter, I alighted to make a check and exchanged particulars with the other party. No one was injured. Police attended the scene and both parties were advised to lodge a police report. I wish to state that I have an in car camera that captured this incident.

I wish to state that my vehicle's front bumper was dislodged.
