Brief details.

On the 21/02/2015 at about 0330hrs, I was riding my motorcycle (Plate No: FBJ8980S) after Malaysian Checkpoint and was going towards Ipoh. While I was riding along Jalan Lingkar Dalam (Malaysia, Johor Bahru), I saw an accident ahead and the traffic was being directed by someone for us to slow down our vehicle. I slow down my vehicle but out of the sudden, a car (Plate No: BHP812) had collided onto my motorcycle from behind casing me to fall from my motorcycle. The driver came out from his vehicle but did not render any assistance to me and he drove off upon the Malaysian police arrival. I had swelling on my right thigh and ache on both my lower and upper back due to the incident. The damages are my rear rims and tire, rear mudguard and signal light, box, crash bar and coverset and my handphone. I already lodge a police report in Malaysia. I am lodging this report as for record purpose.
