Brief Details.

On 24/12/17 at around 1900hours, I saw a note on my car with a number to call. I also saw there was scratch marks and red paint marks on the front right portion of my car. I then called the number and met up with MR LAU who informed that earlier from 1600 to 1630hours he witnessed a red MAZDA (SJP8040D) that failed to park properly and hit my car and another black Honda before driving off. He tried to signal for the driver to stop but the red MAZDA just rode off, then he left the note to inform us and also mentioned that he is willing to be a witness to the hit and run.
