Brief Details.

My vehicle is in the left most lane while the third party's vehicle is in the second left most lane. i.e. Third Party's vehicle is in the lane to my right. We are both travelling along Grange Road just past the intersection with Somerset Road. Both vehicles proceed to follow the wide right turn from Grange Road up towards Orchard Boulevard. From the left most lane I am proceeding to turn left to continue towards Grange Road. The left most lane - where I am is allowed to go straight or turn left. The Third Party's lane is only allowed to go straight up Orchard Boulevard. The third party does not signal its intention to change lanes and most likely does not see my vehicle thus proceeds to change into my lane. Our vehicles collide in a side swipe. Failure to signal contravenes the ROAD TRAFFIC ACT (CHAPTER 276, SECTION 140) ROAD TRAFFIC RULES Clause 2 "Drivers to give signals".

We exchange driver details and contact numbers on site and subsequently communicated via SMS. Quoting a portion of the Third Party's account of the incident - "Note I have been staying and maintaining on the same right lane which is curving to the left. Never change Lane."

As the driver appears to not even be aware that he had changed lanes, I suspect he may have been drink

Please find attached a sketch of the road plan and accident progress. You may also refer to the following Youtube link: <https://youtu.be/rvx4I7D2PNc> for the Dashboard Camera footage from my vehicle which clearly shows the Third Party crossing the dotted while lane markings guiding turning vehicles into their respective lanes. Additionally, it may be noted that there is a Blue Taxi in front of the Third Party who is in the same lane and maintains course to proceed straight up Orchard Boulevard. However, the Third Party's vehicle veers left out of his lane and collides with my vehicle.
