Dear Saliha,

ACCIDENT ON 02/01/2018 INVOLVING VEHICLES SJY 340T AND GBG 9172S

We refer to the above matter.

TP reported that he was driving along Jalan Toa Payoh towards Upper Serangoon road. He slow down at the junction of the traffic light, OI suddenly cut into his lane. Please see attached TP's statement.

OI reported that he was filtering left after exiting PIE to get into Upper Serangoon Road. As he was driving in his own lane, TP cut into his lane from left lane and collided onto his vehicle. Please see attached OI's statement

We did call OI to verify the nature of accident. OI disputed on the liability and he mentioned that TP cut into his lane from left and collided onto his vehicle. Base on scene photo provided by OI, our insured vehicle is within the lane and TP vehicle is in between two lane. Based on the circumstances of accident, scenario from both parties, we are of opinion that our insured version is more credible and accurate.

As such, we intend to reject the claim and kindly let us have your instruction / approval please.

Best Regards,
